

There are many basic tips you can use to have your money actually _____ for you.

TIP #1

- Invest your money in _____.
- When you buy a stock, you become a _____ of the company.
- The benefit for you is that if the company _____ then you _____.

The relationship looks like this:

- If a company loses money, then you _____ money.
- Why would you choose a company?

_____	_____	_____
_____	_____	_____
_____	_____	_____

You will have the opportunity to invest in companies that make up the _____.

It is made up of _____ companies.

One of the companies is Coca-Cola. Their main product is the soft drink.

Do you think the drink is their only product?

Can you think of anything else when you think about Coca-Cola?

Do you think they will make money this year?

Do you think they will make most money in a certain part of the year?
(Summer, winter?)

Have they done anything to make themselves more popular in the winter?

How long have they been in business? (When were they founded?)
